Report or Overall Summary:

The NCC unit of St. Francis College conducted a tree plantation campaign on the occasion of “**International Forest Day**” on 21st March 2024 at Vidya Vikas Government High School, Begur. Around 8 varieties of 25 different plant saplings were brought from the forest department nursery.

Sri. C Lokesh, BJP leader, and M Narayana Gowda, president of Vidya Vikas GHS, Begur were guests for the program. Sri. M Narayana Gowda highlighted on importance of maintaining self-discipline, and time management, and Sri C Lokesh spoke on the importance of forests and the role of youth in preserving natural resources for our future generations.

The event started with planting a sapling by guests and other dignitaries. Later, all the NCC volunteers planted all the saplings, watered them, and handed them over to school

volunteers for future care. The purpose of the program was to “impart awareness of the importance of forests and role of forests in balancing the ecosystem and role of youth, organizations in preserving nature and natural resources, promoting the growth of nature and finally make it accessible for the future generations. The whole event was satisfying and volunteers understood the significance of the day.
