INTRODUCTION

World AIDS Day has been designated on 1st December every year since 1988.

It's an international day dedicated to raising awareness of the AIDS pandemic caused by the spread of HIV infection and mourning those who have died of the disease. Government and health officials, non-governmental organizations, and individuals worldwide observe the day, often with education on AIDS prevention and control. The theme of World AIDS Day for the year 2021 is "*End inequality, End AIDS & End Pandemics*".

PREPARATION PART

In most educational institutions World AIDS Day is celebrated by conducting awareness programs like rallies, dramas, street plays, etc. Students of our institutions too prepared to celebrate World AIDS Day by conducting awareness programs for high school students. Students of our college prepared posters, banners, and animated images to spread the message about AIDS.

Karnataka Public School, Agara, Bengaluru South, Bengaluru was chosen in advance as the venue for this program.

EVENT PART

All NCC volunteers along with other participants assembled in front of the college with posters, banners, and animated images. Before departing the campus for the venue, our college Principal, Dr. R. N. Subba Rao, encouraged us and wished us success in our endeavors.

There were **15 NCC cadets**, 30 NSS volunteers, and 10 civil defense volunteers from our college who participated in this awareness program. The troupe reached the program venue at Karnataka Public School, Agara, at 11:30 am. The Venue School management arranged the stage for the performance. Over **250 students** were present in the Auditorium to witness the program.

The program began with an introduction. A brief introduction was also given about NCC and its objectives to motivate students to join NCC, NSS, and Civil defense.

Thereafter the session began by the Cadets. The contents included:

- History of aids
- Causes/ Mode of transmission
- Symptoms
- Precautionary measures
- Diagnosis and treatment

The NCC cadets covered all the above topics and briefly explained them with illustrations. They also placed before the audience the present scenario of AIDS in the world, in our country, and in our state.

After this, took a session, on personal defense

There was an session, during that students had

the topic and we clarified and clarified their doubts about AIDS, personal hygiene practices, self-defensive mechanisms, etc.

our SW Cadets especially for girls hygiene and self-mechanisms.

interactive which we noticed misconceptions on

After the program at the venue, a rally was conducted on the streets to spread awareness about AIDS to the general public.

CONCLUSION

The active participation of the volunteers in the program on World AIDS Day achieved the objective that they wanted to impart. The program was smooth and successful.

All the participants returned to their institution with a cheerful note.

∴ THANK YOU ∴
