

REPORT ON DAAN UTSAV 2023

Date: October 24 – November 3, 2023

Organized by: ISR Committee in association with Bhumi NGO

Venue: St. Francis College

The ISR Committee, in collaboration with Bhumi NGO, successfully organized Daan Utsav under the theme,

"Kindness is the language which the deaf can hear and the blind can see."

Daan Utsav aimed to promote humanity and social responsibility by encouraging contributions towards underprivileged communities. The initiative sought to support individuals in need and foster a culture of giving among students, faculty, and staff.

The campaign, which ran for over a week, witnessed active participation from students, volunteers, faculty, and non-teaching staff. A wide range of essential items was collected, including:

- Stationery items & books
- Clothing
- Biscuits, chocolates, and snack packets
- Basic necessities (soap, toothbrushes, and energy drinks)

The overwhelming response and generous contributions highlighted the spirit of compassion and collective effort within the college community.

On November 3, 2023, Mr. Sandeep Kumar, a representative from Bhumi NGO, visited the college to collect the donated items for distribution to those in need. In recognition of their contribution, all participating volunteers received E-certificates from Bhumi NGO as a token of appreciation. The success of Daan Utsav 2023 reaffirmed that acts of kindness can create a significant impact, proving that humanity thrives through collective goodwill and generosity.
