## CIVIL DEFENCE 5 Km Marathon Report

**Introduction:** On 19 December 2022, the Civil Defence Unit of St. Francis College organized a 5-kilometer marathon to promote physical fitness and raise awareness about the importance of disaster management. The event was a huge success, with a large number of participants from both the college and the surrounding community.

**Event Details:** The marathon began at 7 am and was open to all interested participants. The route took the runners through the scenic streets surrounding the college and ended at the college grounds. The event was organized in collaboration with the local authorities, who provided support in terms of traffic management and security. The event was also an opportunity for the Civil Defence Unit to showcase their preparedness for disaster management. The unit was deployed along the route and provided emergency services such as first aid and crowd control.

**Participants:** The event saw a large turnout, with over 40 participants, including students, faculty members, and local residents. The event was open to all, regardless of age or gender, and attracted participants from all walks of life.

**Conclusion:** Overall, the 5-kilometer marathon organized by the Civil Defence Unit of St. Francis College was a huge success. It provided an opportunity for the participants to engage in physical activity while raising awareness about disaster management. The event was well-organized and received positive feedback from the participants and the local community. The Civil Defence Unit demonstrated their readiness to handle emergencies and was lauded for their efforts in ensuring the safety and well-being of the participants.
