CIVIL DEFENCE Republic Day Parade Report

Introduction : The Civil Defence Unit of St. Francis College participated in Republic Day parade practice which was held for twelve days from 12th January to 26th January in Karnataka Home Guard and Civil Defence Headquarters. This report outlines the key highlights, themes, and significance of the Republic Day parade for the year 2024.

Practice session:

Karnataka Home Guards and Civil Defence Headquarters organised Republic Day parade on 26 Jan 2024 after 12 days of practice. Three teams were selected; one team consists of boys and girls which went to Manekshaw and the other two teams got selected to Headquarters. One team consists of only boys and the other team were girls. The practice began early in the morning with all the participants. Headquarters officers arranged travel and breakfast facilities for civil defence members who participated in the Republic Day Parade for 12 days. 8 platoons participated including civil defence, Home Guards and SDRF.

Experience :

The participants had a whole new experience and learnt so much from this, team coordination, dedication, discipline and parade perfection. As it was a first-time parade practice session for so many candidates and had a whole new good experience and learnt so many things from the subordinates and higher officials of civil defence.

Conclusion:

The Republic Day parade of 2024 was a resounding success. After the parade, civil defence headquarters officers appreciated all the participants and issued an appreciation letter from headquarters to St. Francis College.
